

Seed Station. Sub-Committee.

Cork, Saturday 8th January 1887.

Present - A. Ferguson, Esq. In the Chair
L. A. Neameish J. Drackenzie & D. Sullivan.

Mr. L. A. Neameish mentioned that Prof. Hartog had received from Mr. James Hunter of Chester, copies of his Price lists and Pamphlet on Adulterations of seeds, also a collection of good commercial samples of the most important seeds, 30 tubes in all.

The rules to be observed with regard to samples forwarded for testing were read and amended.

The Secretary was directed to have advertisements inserted in the Cork Papers, Farmers Gazette & Irish Farm, with regard to Seed Testing Station - W. H. Crawford
