Read Circular letter of 24<sup>th</sup> ult., from United Irish Cattle Trade Association, Dublin, stating that a Conference would be held at Wallbridge on Thursday, August 26<sup>th</sup> with reference to best modes of improving the breed of Cattle throughout the Country, and asking the Society to nominate delegates to attend conference.

It was decided,

"That Messrs J. G. Hare, Col. Heard, Savage French and  
" C. Garfit should be requested to attend the Conference  
" on behalf of the Society."

The question of holding a Dairy Conference &c in Cork during 1887 having been considered and discussed, it was

Decided To abandon the idea as the expenses in connection therewith would be too heavy.

Decided To inform Messrs W. Kenzie & Mrs. that the Committee regretted they could not interfere with the awards of the Judge in the Section.
