

Read Circular letter from Royal Commission on Irish Public  
Works, &c. requesting replies regarding Railway facilities,  
&c. &c. in the district. Postponed to next meeting.

Dr. J. Carroll, Dublin, read appendix to his report on  
Winter Dairying, which was highly approved, and ordered  
to be added to Report.

On the motion of Mr. J. French, seconded by Dr. W. K. Sullivan,  
a Vote of thanks was passed to Dr. Carroll for his reports,  
together with the diagrams of the Normandy Dairies &c. &c.

On the suggestion of Dr. W. R. Meade it was decided that the  
Committee should on 16<sup>th</sup> inst, consider the question of holding  
a Cattle & Horse Show this year.
