Resolution:—

"That we extend to the members of the Cork Show Committee in general and to the President, M. E. Clarke, and the Secretary, Mr. J. Byrne in particular, the warmest congratulations of this Committee on the brilliant success of the Show held during the past week. In every detail, it was a masterpiece of organization. From the social, as well as from the educational point of view this year's fixture was the best ever held in Cork and the gratifying patronage extended to it by every section of the community was richly deserved. For no pains were spared by an enterprising for comfort and enjoyment of the thousands who thronged the beautiful Show Grounds on Wednesday and Thursday."

The Secretary reported that the gate receipts from the late Summer Show were £6 short of £1900 and this was considered very satisfactory.

Mr. Mullins suggested that the Committee should consider the advisability of giving more money prizes in the horse section. Mr. Jas. Barry agreeing with Mr. Mullins' suggestion and after some discussion the matter was referred to the Show Committee.
