My daughter and I appreciate your kind letter of sympathy in our sorrow. You and Mr. Herty went through strenuous times together in the past, and it is nice to know you worked together in close co-operation and harmony. I know Mr. Herty thought very well of the work of the Society.

Again thanking you and the Society for your letter. Yours sincerely,

MILDA HERTY. (Sd.) "

Alteration in date of Class for Pure-bred D. Dairy Short-horn bulls:

Arising out of the reading of the Minutes of the Show Committee held on the 23rd October, 1943, Mr. T. O'Sullivan suggested that the age of the Pure-bred Double Dairy Shorthorn Bulls whose dam and sire's dam gave milk yields of not less than 7,500 lbs would be eligible to compete in this class if they were calved up to the 30th June, 1943, instead of up to the 30th April. This was seconded by Mr. J.S. Henderson, and the Secretary was directed to communicate with the Department of Agriculture on the matter.

Vote of thanks to President:

On the proposition of Mr. A.H. Moore, a hearty vote of thanks was passed to the President, Mr. E.J. Clarke, for his attention to the Society's affairs during the year. Mr. Clarke suitably replied, and wished the members the Compliments of the Season.
