

Discussion re holding of a one-day or two-days' Show:

With regard to the forthcoming Summer Show, fixed for 19th & 20th June, a discussion took place on the advisability of holding a one-day or a two-days' Show, and the President invited the opinion of the members on this matter. He (the President) stated that it would be necessary to have an early decision for the purpose of organising the Show. Mr. N. Hayes suggested that it would not be advisable to make a final decision at this Meeting, but that the matter could now be discussed by the Committee, and that a final decision could be reached at the next Meeting, which suggestion the President accepted.

The Committee then went into the various details concerning the holding of a one-day or two-days' Show, and adjourned the matter to another Meeting.
