After a long discussion on this matter, the Committee unanimously decided to inform the Cork Athletic Grounds Co. Ltd., that they regretted exceedingly they could not make any contribution towards the cost of building this wall.

Re alteration of Box Stalls:

Arising out of the reading of the Minutes of the Show and Finance Committees re works at Show Grounds, which include alteration to box stalls, Mr. G. MacDonald suggested that we should not make all the box stalls 90' sq., as some of the existing box stalls should be allowed to remain their present size, viz:- 144 sq. ft., in order to accommodate mares in foal. It was agreed that this be referred back to the Show Committee.

Lecture to be given at U.C.C.

Professor G. Boyle stated that a lecture under the auspices of the College would be given by Dr. Hammond, of Cambridge, at the U.C.C. at a date to be fixed, but he hoped it would be sometime around November 30. The lecture would be on the nutrition and breeding of animals. Professor Boyle invited as many members of the Society as could to attend this lecture.
