Suggestion re handing  
in nominations:

Arising out of the re-election of the Show Committee, Mr. T.N. Desmond, B.L. said that he thought it would be in the interest of the Society if, in future, retiring members of this Committee were not proposed in block, and he also suggested that their names should not be handed in during a Meeting, but that they should be handed in to the Secretary on or before, or on the closing date fixed for such nominations.

The President said there was nothing in the rules of the Society to prevent a member from handing in nominations on the day of a Meeting. After a further discussion, Mr. C. MacDonal proposed that a Sub. Committee be appointed to reconsider the rules and regulations of the Society, and, if necessary, to recommend changes in the growing interest of the Society. There being no seconder for this motion, no further action was taken on the matter referred to above.

List of Prizes for  
forthcoming Show &  
Sale of Bulls to be  
considered:

The President stated that the Show Committee would be considering the List of Prizes in connection with the forthcoming Show & Sale of Bulls, and, if there were any suggestions any member would like to make, the Committee would be glad to receive them.

Autumn Show:

The President also stated that the Annual Autumn Show of the Society would take place on October 26 and 27, and that a very fine entry had been received in the fruit section. He (the President) also stated that this year a new section for Poultry had been included. It was hoped that as many members as possible would attend this Show, the President added.
