

Detailed account re
entries received given:

The President then gave a detailed account of the entries received with regard to the forthcoming Summer Show, and stated that the live stock entries totalled 426, an increase of 63 over last year's total. Poultry and dogs, he stated, were at about the same level as last year, while agricultural machinery and trade exhibits were as completely filled as possible. So great in fact had been the entries for this year's Show that numerous applications for space had to be refused, and he was fully confident that the public would appreciate the many improvements that had been made since last year.

Votes of condolence:

On the motion of Mr. J.B. Roberts, seconded by Mr. C. MacDonald, a vote of condolence was passed to the relatives of the late Mr. Patrick Barry, and to the Nicholson family on the death of Miss Nicholson. The President putting both motions, all members stood as a mark of respect.

Mr. W.W. Nicholson, who was present, thanked the members on behalf of his family.
