as a member of the Sub. Committee (appointed after Mr. Byrne's illness) will always be remembered, as his efforts on that occasion helped in no small way to tide the Society over a very difficult period. It was with a very deep feeling of regret that he called on the members to propose the adjournment.

Mr. S. Murphy proposed that the Meeting adjourn; this was seconded by Mr. F. J. O'Connell, and agreed to unanimously. Before the Meeting adjourned, Mr. T. O'Leary, who was also a member of the Sub. Committee with the late Mr. Hosford, said he wished to be associated with the vote of sympathy; no one realized as much as he did the work done by the late Mr. Hosford while a member of that Sub. Committee. The Acting Secretary was directed to convey the vote of sympathy to Mrs. Hosford and family, and to Mr. B. E. Hosford and family.

The Meeting then adjourned.
