Summer Show 1982.

In regard to accounts for the Summer Show Mr. John O'Sullivan queried charge for use of gardai. Mr. Daly queried amount for cleaning contract and sought particulars of attendances. The Secretary stated that he would have details of attendances at the next meeting.

Both Mr. McCarthy and Mr. Nicholson congratulated the President and the Secretary on the overall profit of approximately £29,000 from the show. The Secretary had distributed full details of estimated receipts and expenditure for the show in advance. Dr. Quill praised the support O'Sullivan commented on the poor supply of water from the water tank and it was suggested that the electricity supply to the water tank be checked. Mr. Tim O'Sullivan thought that the cattle should not be allowed home until end of the second day. Mr. Tim O'Sullivan was also of opinion that the prize-winning cattle should be placed on exhibition. Dr. Quill suggested that one of the cattle rings should be covered and that a large covered marquee should be provided in Pairc Ui Chaoimh for the Dog Show.
