Mr Sinclair waited on the Committee and stated that in his opinion the heifer was over age, but that he could not state so positively, nor did he believe it was in the power of any man to give a positive opinion.

It was accordingly decided on the motion of Mr W R Meade seconded by Mr A Ferguson, that at the next meeting of the Committee Mr Ferguson should produce his book in which the birth of the animal was registered or together with an affidavit as to the accuracy of said entry.
