Read letters from the owners of horses absent from the Show and after some discussion it was decided that all deposit fees should be returned with the exception of Mr. Jubb's.

Mr. Seymour waited on the Committee and produced extract from his Herd Book showing the date of the birth of his heifer against which Mr. Nash had lodged an objection together with a declaration verifying the correctness of same.

After considerable discussion Mr. Bird moved that Mr. Seymour's declaration be accepted and that he be awarded the prize, to which Mr. Garfit seconded by Mr. Ferguson moved an amendment that unless Mr. Seymour produce his herd book either to the Secretary or to the Committee he should forfeit the prize, on being put to the meeting the amendment was carried by a majority of two votes.
