Mr C. J. Farlow waited on the Committee and urged that too much prize money was given to the 3 year old hunt classes & suggested that some of the money now given to these classes be apportioned to the 4 year olds.

It was decided to continue the money allotted to the 3 year old classes this year.

Mr Farlow also asked for an official measurer from Hertinghams to attend previous to the show for purpose of measuring polo ponies.

It was decided to enquire again from the All Ireland Polo Club as to cost and as to the arrangements necessary for carrying out the measuring of ponies.

With reference to Mr Luckey's questions referred back from General Committee he was informed, as to the heights of pony classes that the following had been decided on

- 2 " " " over 13 hands & not exceeding 14.2 high.
- 3 " " " over 14.2 " not exceeding 15.1.
